In short: CryptoLicenseWiki does not set cookies and does not store anything on your device. That is why there is no cookie banner.

What we use

- **Cookies:** none.
- **Local storage, session storage or similar:** none.
- **Analytics, advertising or tracking technologies:** none.
- **Third-party content:** none is loaded automatically. Fonts and images are served from our own domain.

If this changes

If we ever introduce non-essential cookies or similar technologies, such as analytics, we will ask for your consent first, as required by the ePrivacy rules and the GDPR, and update this page and the Privacy policy.

External sites

Websites we link to, such as official regulators and registers, may use their own cookies under their own policies.
